*A gap in expertise on Parkinson's disease has been identified and is actively being addressed. If after reviewing the nominees, you believe there are additional gaps in the panel representation we encourage you to submit nominations to neurology@qualityforum.org. We will consider additional nominees during the time period in which this provisional roster will be open for comment, **August 13-27, 2012**. Questions about additional nominee submissions should be directed to Suzanne Theberge, MPH, Project Manager, at stheberge@qualityforum.org or 202-783-1300.*
